STARKSY

(FEATURING SETI A.K.A. K9)

Introducing our second maxBloc, Tha Silent Partner's "Starksy"

With this final maxBloc single for "Tha Complete Platters Sessions XE" we've got another stack of bonus gems for you — more unreleased tracks from the Platters sessions and a fantastic remix by Minneapolis electropunk artist Mach FoX. Check it!

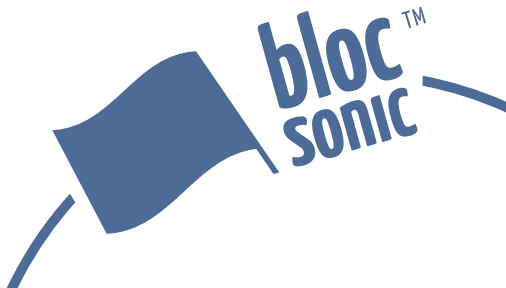

When you're done with Starksy, if you haven't already done so, grab the other single "P Pulsar" and "Tha Complete Platters Sessions XE".

Thanks again and remember... share it, blog it, podcast it

Peace
