## ABOUT TA2MI

**TA2MI** is a Jodo Shinshuu Buddhist monk from the countryside outside the city of Kumamoto in the South of Japan. As featured in the globally successful film *KanZeOn*, he is also a multi-talented musician – in addition to his skills as a battle DJ and beatboxer presented in the film, he has recently started to release the fruits of his skills as a producer. His recent album *Travel Through Worlds* was chosen as one of the best releases of 2014 by **FACT Magazine**, and you can read much more about the support his music has been receiving here (<http://www.factmag.com/2014/12/01/and-this-one-time-the-best-bandcamp-releases-of-2014/18/>) and here (<http://www.factmag.com/2014/04/24/from-monastery-to-bandcamp-via-hospital-bed-meet-tatsumi-the-skateboarding-monk-making-brilliant-electronic-music/>).

*(TA2MI is out of the hospital now, by the way!)*

Now he's working on music with long time collaborators, **Cheese N Pot-C. Pot-C** first met TA2MI in 2001 through their mutual friend, **DJ Hi-Low**, who had just began a collaboration project with Cheese N Pot-C. TA2MI has recorded and performed with C-N-P throughout southern Japan and in Vancouver, Canada. This new release, *TA2MI Presents: Cheese N Pot-C* is the intro EP to a full-length project due for release next year. Along with C-N-P, the TA2MI produced project features **Long John** of the **P.U.C.K.** cru and **HighSnow** of **D3Z'z**.
