

A close-up photograph of asphalt pavement. The surface is dark grey and black, with numerous small, irregularly shaped stones and aggregates embedded within. There are several yellow and black markings scattered across the surface, likely from a road marking machine. The lighting is somewhat uneven, with a brighter area towards the bottom center.

Words can not describe how I feel about MUTE and the music UNknown (Formula) and I have made together. MUTE isn't just two men making beats, but the foundation that our friendship was built upon... Based on a common respect for each others art.

MUSIC IS UNIVERSAL... POWERFUL... FOREVER.
SO IS FRIENDSHIP.

WE ARE MUTE... BROTHERS BONDED BY SOUND.

— TSP

Though I speak with the tongues of men and of angels, and have not money, I am become as a sounding brass, or a tinkling cymbal. And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not money, I am nothing. And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not money, it profiteth me nothing. Money suffereth long, and is kind; money envieth not; money vaunteth not itself, is not puffed up, doth not behave unseemly, seeketh not her own, is not easily provoked, thinketh no evil; rejoiceth not in iniquity, but rejoiceth in the truth; beareth all things, believeth all things, hopeth all things, endureth all things.
