cheese and Pot-C would like to
dedicate this album in memory of **Gareth Lochhead**,
Rest In Paradise, you were and will remain a wonderful soul.

Also we'd like to pay our respects to
Evan and **Gerald Thomas**, *Rest In Paradise*,
you will both forever be missed enormously.

A yellow-tinted photograph of a street scene in Japan. On the right, there are multi-story buildings with various signs, including one that says "高島ビル" (Takajima Building) and another "SINKO". The street is paved and has a dashed white line down the center. The background shows a hazy, mountainous landscape under a bright sky.

Cheese N Pot-C thank everyone that
has ever or will ever exist. Even the bad dudes.
