Time to get the club back...
Tired of all this drug and this thug rap...
Niggas act they be scared of a dance track...
But that's us big bee bringin dance back...
Yea I'm big but I move good
Listen ta rock but still too hood
I ain't scared of the tempo...
I just get it in gin wit my kinfolk...
You ain't know big bee doing all that
Hip hop motherfucker it ain't all rap
Feel like the game's soul less
That why ya boy so stressed
But I gotta let it go
We in the discotech and go let em know...
We gone dance till the sun rise...
We ain't doing nothin' fareal jus havin' fun guys...

They tell me I'm killin' em its too fast
Naw muthafucker just u last
Yea yea yea sleaze on that new shit...
I don't even dance fareal but I can do this...

So why they go and slave shit...
I'm here doing me on the blaze tip...
Jus move to the beat not hard
Jus gods when we cruise in the street
But for now just vibe wit me...
On the floor hit the door just ride wit me...
Cuz you know it feel so good
