**WHATEVS IS CLEVS**

*"I EXPECT NOTHING OF MAN, AND DISOWN THE RACE. THE ONLY FOLLY IS EXPECTING WHAT IS NEVER ATTAINED; MAN IS MOST CONTEMPTIBLE WHEN COMPARED WITH HIS OWN PRETENSIONS. IT IS BETTER TO LAUGH AT MAN FROM OUTSIDE THE UNIVERSE, THAN TO WEEP FOR HIM WITHIN."*

*When there's trouble you - call O W - Bang Bang Bang - that's triple insane  
The name Pot-zilla coming out of the C - just tearing up towns leave em wearing nuff frowns  
Blaring ruff sounds I'm declaring much rounds - of shots get tipped up tables get toppled  
Awful stench to clear off the bench - these intoxicants I gave lots of friends*

*Pound em back - round the back - now the pack - found the sack  
Sound the crack - clown attack - crown the mack - how the rap  
Town is trapped - clown is slapped - drown in that - down on mat  
Pontiac - Cadillac - knick knack paddy whack*

*And all that business - jazz and what have you -  
keep away from the speakers - I might jump out and grab you  
Stabs too and hits plus my latest is greatest -  
it doesn't really matter if you don't have the faintest*

maxBloc

*Clue or awareness you can't prepare it's - something that happens when doin' the rapping  
Nappin' is over - clappin' if sober - you might catch a bottle to the noggin' from nowhere*

*Here we go - beer we flow - hear me yo - stereo  
Cheerio - fearin' no - imperial - cereal  
Serial- searin' glow - see me high - CD throw  
Leave the row - flee the show - it was unbelievable*

*Cheese's verse*

## *2 WHY THE WHEELS COMES DOWN* 2:42

*I want to say that it's rare,  
But I see it everyday.  
Leave me alone,  
Close the Door,  
And go the fuck away.*

*You ever wonder why the wheel comes down?  
Falling faster till you hit the ground.  
Getting closer, gonna hear that pound.  
Die alone. Never be found.*
