

JUST PLAIN ANT  
KNOWN

“Cultivate solitude and quiet and a few sincere friends, rather than mob merriment, noise and thousands of nodding acquaintances.” — WILLIAM POWELL

“A creation of importance can only be produced when its author isolates himself, it is a child of solitude.” — JOHANN WOLFGANG VON GOETHE

“Everybody’s a mad scientist, and life is their lab. We’re all trying to experiment to find a way to live, to solve problems, to fend off madness and chaos.” — DAVID CRONENBERG

“To sustain longevity, you have to evolve.” — ARIES SPEARS

I made this album when I went into my cocoon. I have cut myself off from a majority of the world, and honestly, I am perfectly happy with that. I needed to take time for meditation. If I had not done so, I would've gone more insane than I have already. Sometimes, life just makes it so that you just have to fade away. Caterpillars become butterflies. One day soon, I'll fly with grace, but for now, I need a second to prepare for that. This is a project of solitude and evolution. It, by no means, is a dark record. I made this project simply for myself and ~~KNOWON~~ else.
