This project is actually an album of obscure entrance themes for wrestlers and other ideas I was fucking with over the last few months. I wanted to make an album of obscure entrance themes for indie wrestlers. I do enjoy watching wrestling (Especially the Mexican Lucha Libre) but I find some of the music lackluster. I've noticed quite a few promotions using Commercial music and run into issues with YouTube over copyright strikes... I wanted to try my hand and supply some unique sounds that can be used in those occasions...

So for this album I mostly used samples from Sample Magic so, no Samples to clear here... (Besides the porn and Ghastly. LOL!) I've been using kits like these to create original music for season one of Gulf City's Flagship series "Gulf City". I had to deliver the same style as my norm without the Sample issues. I found Sample Magic to be the best choice and the end results came out proper. I've used kits like these before especially in my early years and always found them useful. I don't no know why it's such a sin to use these resources? I'll still dig in them crates and all, but Whatever make my creations come to life... I'm fucking with it. Besides with 20 years of beat making making under my belt... bet you couldn't tell.

Sample Kits Used:

Tape Tinged Breaks
Vaporwave Melodics
Future Soul Melodics
Dusty Melodics & Hooks 2
All From Sample Magic

Other Kits Used:

Lofi Spaceship Sounds Vol 1 by Sarah, The Illstrumentalist/No Quantize

J-Zone's Lunch Breaks

I also wanted to end the porn beat tapes as a trilogy and was trying to produce for that but I'll hold off... Maybe next year... I included a few of them because they contain the same source material.

I'll break it down... Maybe it'll make some sense that way.

1 GHASTLY IDEAS 1:12

Last track made. I wanted to end the porn tapes as a trilogy. That's why there's porn references in this. The original title was "Sweet Nectars And Creampies" but I needed a subtitle like the other two. So I hit up Ghastly during one of his gaming streams with his homies for ideas... BINGO.

2 COCAINE ORGIES (FEATURING GENE FRENKLE) 3:21

This beat is coked out miami vice style. Complete with Cowbells.

3 SWEATY 2:32

Another coked out bump to enter the ring too.

4 SEXXXY WALK PART.2 2:08

"So put your ballerina shoes on and tiptoe down my meat" - LL COOL J "No Airplay"

This is another theme.

5 KRUSTY JIMMY HATS 1:13

Throw them shits out khed... this would of been on the porn tape.

6 NO TEETH 2:29

More porn tape vibes.

7 SLOW GRIND 3:21

A theme for the freek in you.

8 WOOFER(LUDE) :52

9 TOUCH THE DONG (EXTENDED VERSION) 4:07

An entrance theme dedicated to Joey Ryan. I actually produced this while watching a shitload of his vids so I make sense... I think. First track made and kinda sets the tone.

10 COUGAR PUMS 2:48

I VERY enjoyed making this one!!!

11 B NICE 2 ME (DIG BICK) 0:24

She didn't know the native American was packing...

12 JUWELLS SWANGIN' 2:42

A porn tape beat.

13 FIRMSLAPS (BONUS) 3:15

There you go.

Thanks to Sample Magic, Sarah, The Illstrumentalist And, J-zone for the amazing material!

Thanks for listening.
